Interests and Hobbies

```
# alwaysMove();
# startAnjunadeep();
```

- **Music:** Music is an outlet for my creativity and expression through sound and rhythm. I appreciate different musical styles and cultures and use it as a means to relax and unwind.
- **Biking:** I love exploring cities and nature through road and mountain biking.
- **Hiking:** I enjoy outdoor exploration and immersing myself in nature through hiking. Organising hikes for others allows me to showcase leadership and build community.
- **Gardening:** I spend time with my family at our allotment, growing – or failing to! - vegetables, where we are an active part of the community.
- **Photography:** Photography is a means of self-expression and creativity for me.
